

HOLLYWOOD COMMUNITY PLAN UPDATE

The following questions will help you in considering the update within the community plan for your neighborhood. The Department of City Planning appreciates your input as a concerned resident, business person and/or property owner in the neighborhoods of Hollywood.

What do you consider the biggest problem(s) in your neighborhood (i.e. unfulfilled needs in the community)?

What do you consider the biggest strengths of your neighborhood?

Do you have any specific suggestions for improving your neighborhood?

Give us some specific examples of areas, projects, resources that you consider a real strength/asset in your community that you would like to see preserved, maintained or further improved?

What city services would you like to see provided and/or policies and programs promoted in your neighborhood that you think are currently missing (please be specific)?

If you are familiar with the goals, policies and programs in the current Hollywood Community Plan, please share any changes you would like to see made to the plan (Please be specific)?
